Faculty

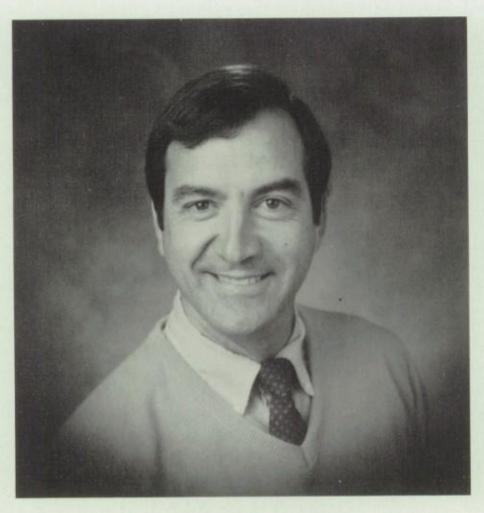

The 1986 Delphian is dedicated to Janis Fleming

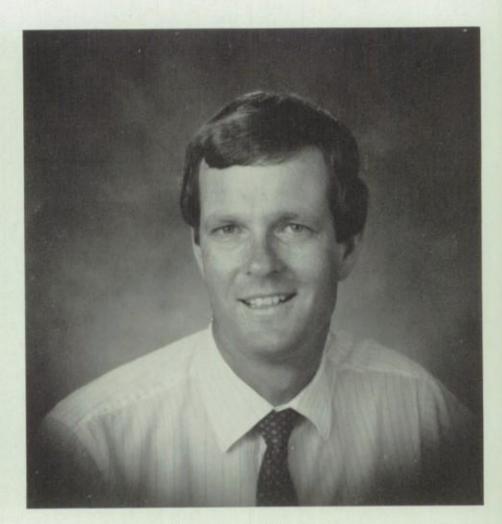

e are told that no one is indispensible, but we are going to realize how close to that one can get when we lose Jan Fleming to retirement. Jan has been with this school district since its inception in 1961, and with Rolling Hills High School since 1967. She has been a part of this district as a parent and educator, as well as a highly competent secretary, first for the vice principal and since 1979, for this school's principal. This district has grown in many ways since that first year, but one thing that has remained constant has been Jan's attitude of getting the job done in the best possible manner. The word "no" is not in her vocabulary when it comes to helping resolve a need of the school. It is no exaggeration to say that Jan knows the "how" with regard to the running of every aspect of this education facility. Jan has had many opportunities to transfer to positions offering her more compensation, but has always chosen to remain where her dedication has served best ... sensitive to the needs of the students of our high school. She has contributed to the well-being of thousands of these students, directly or indirectly, and has always been committed to meeting the demands which must be met to attain their goals. Jan is a many faceted person, with a diversity of experience in business and education, and an extensive range of knowledge covering wide areas of interest. Those who have not had the priviledge of knowing her have missed someone very special . . . a person who is witty and charming, sensitive and caring, intelligent and compassionate. For those of us who have known this extraordinary person, we can be thankful for her friendship, and the opportunity to see "lightning caught in a bottle!"

School Administration

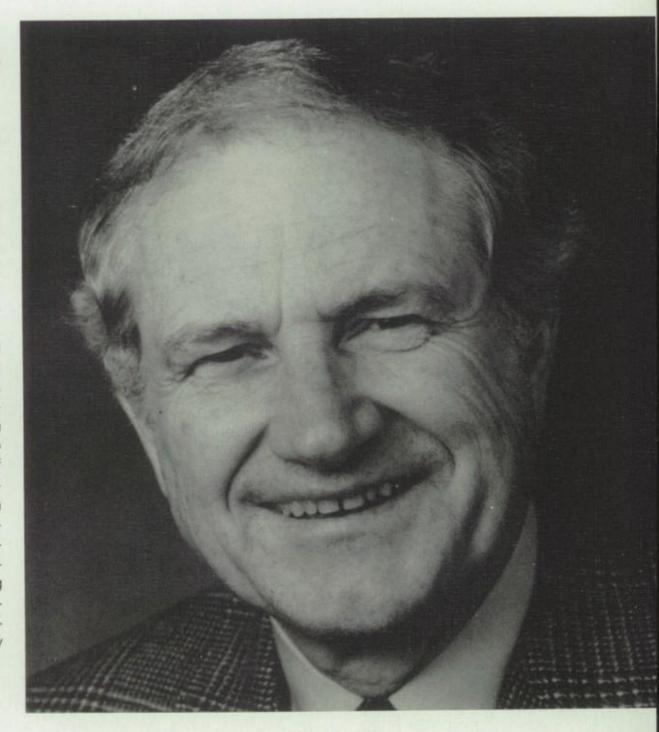

he Rolling Hills administration worked at improving the learning atmosphere within the school. Howard Lawrence, principal, and his highly competent staff, continually tried to resolve the many and diverse problems confronting students every day. Administrators dealt with the problems with care and expertise. Their effectiveness in dealing with the many difficulties was a combination of skills acquired after years of dedicated years of hard work. This staff, always ready to attend to the needs of the students, was complimented this year by two enthusiastic newcomers, Assistant Principal of Management Chris Bowles and Dean of Students Art Warner. Rollina Hills High was fortunate to have such a quality administration.

Bill Howard and Howard Lawrence watch as the junior varsity quarterback scores another touchdown.

District Administration

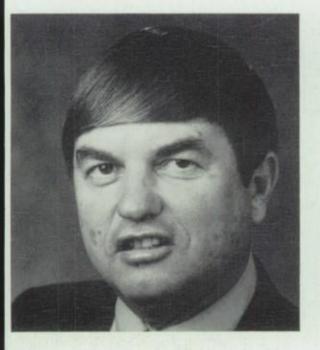

uring the past year, the administration of the Palos Verdes Peninsula Unified School District worked hard to ensure that students at RHHS and all other district schools would continue to receive an excellent education. In November, 1985, three members of the school board, Ann Hinchcliffe, Pat Johansen, and Rose Lackman, left their positions. Newly elected were Sally Burrage, Marlys Kinnel, and Dr. Jeffrey Younggren. As in previous years, a high school student was selected to serve as a non-voting member of the board. Farshid Sadeghi from Miraleste High School held this position for the 1985-86 school year. The district also began inquiry into the feasibility of a parcel tax to raise additional funds for the financially ailing schools. These devoted and dedicated individuals from the community served well to increase the quality of school life.

Counseling/ Special Services

his past year, the counseling staff met and overcame a number of challenges in providing excellent counseling and guidance to RH students. The goals of the staff included career guidance, improved communication, and personal counseling. This vear students could choose their own counselor, which gave them the opportunity to communicate with someone they had confidence and trust in.

Special services at RH provided help in the nurse's office, library, career center, study hall, resource office, and activities office. They aided students with reference materials, career counseling, medical advice, and student activities.

Business/Physical Education

A n extensive business program was offered this year, taught by an exceptional business staff. A variety of courses for both personal and vocational skills were available. Personal skills were developed through Typing A, Computers in Business and Business Math, while vocational skills were taught through Advanced Typing and Word Processing. With the acquisition of the latest in office equipment, students were stimulated and ready for their future careers in business.

The Physical Education faculty offered a variety of courses to compliment a student's mental and academic courses with a refreshing and recreational break from the academic program. The instructors realized the continuing physical awareness of this generation and integrated these values into the program.

ritten expression was once again emphasized by the English Department. In several of the required courses and electives offered, students were constantly reading and improving their reading and writing skills. Elective courses included forensics, journalism, creative writing, reading, mythology, and literature. Interaction between teachers and students enriched the learning experience. The veteran English staff warmly welcomed the addition of Elsa Celniker, Charlotte Brady, Harvey Crow, Tom Maeder, and Jim Maechling. It was another successful year as staff and students cooperated to establish an atmosphere of creativity and excellence. Department Chairman Garry Poe was honored this year as he was named Educator of the Year, a prestigious award given by the Palos Verdes Chamber of Commerce.

Foreign Language

our languages, Latin, German, French, and Spanish, were offered at Rolling Hills this year, all taught by the highly competent staff. Outstanding teachers, using unique techniques, effectively taught a difficult and confusing subject to the students enrolled in a language class. These instructors created a fun-filled, academic atmosphere which encouraged students to strive for excellence. Even with the decreasing student enrollment, there has been an actual and steady increase in foreign language class enrollment. During the summer months, members of the staff continued to travel around the world to bring back first-hand experiences to the classroom. The foreign language staff played an important role in teaching students all aspects of a language.

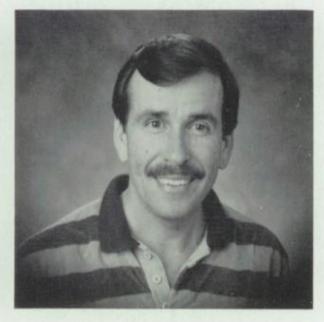

Spanish teacher Frank Ferro conducts the language lab as an enthusiastic student comes in for help during lunchtime. The lab gives students a chance to practice their verbal foreign language skills.

Boura Kim and Tracey Matthews go to the board to get assistance from Rosaline Harper, French teacher, Mrs. Harper and the entire foreign language teaching staff provided expert instruction for RH students.

Social Sciences

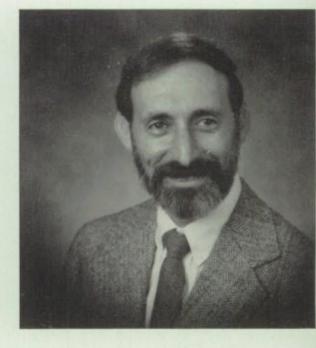

ocial Science instructors offered students a good perspective of the many aspects of society. Traditional courses such as Western Civilization, U.S. History, and Economics in addition to elective offerings such as Comparative World Religion, Psychology and Students and The Law were available to RH students. The department was especially proud of success in Advanced Placement Program and Model United Nations organization. As students worked their way through the courses, their knowledge was broadened and their minds enriched. As a famous philosopher, San Tayana, said, "Those who cannot remember the past are condemned to repeat it ..."

with an excellent background. Students were well prepared for both scientific and mathematical futures after taking the variety of courses offered at RH. College bound students received a solid foundation while an arithmetic background with exposure to algebraic notation was provided to those not planning a higher education. Courses offered included Algebra, Geometry, Trigonometry, Math Analysis, and Calculus. In addition, two unique courses were added in computing — BASIC and Pascal. Titan math teams continued their outstanding showings in team competitions. The excellent teachers in this department aided enormously in the education of students.

The Arts

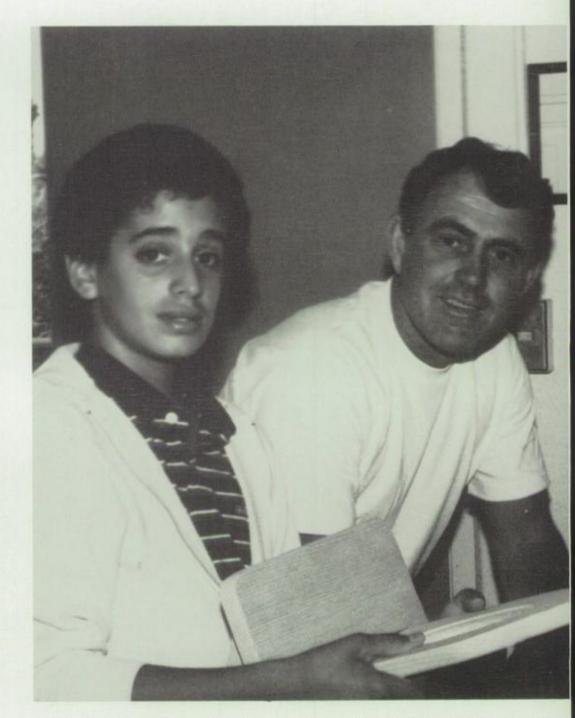

Students interested in instrumental music had several courses available to them — Concert Band, Wind Ensemble, Orchestra, and Marching Band. Vocal classes included Madrigals and Concert Choir. With new drama instructor Connie McIntyre, students had a choice of four courses in the field of dramatics and forensics.

The home economics department was dedicated to aiding students in adjusting to life alone. Creative cooking aided students in the kitchen while interior design helped them plan their future homes. S.O.S. was a new class offering that taught students how to live and survive in the singles world. New technology was incorporated into this course structure.

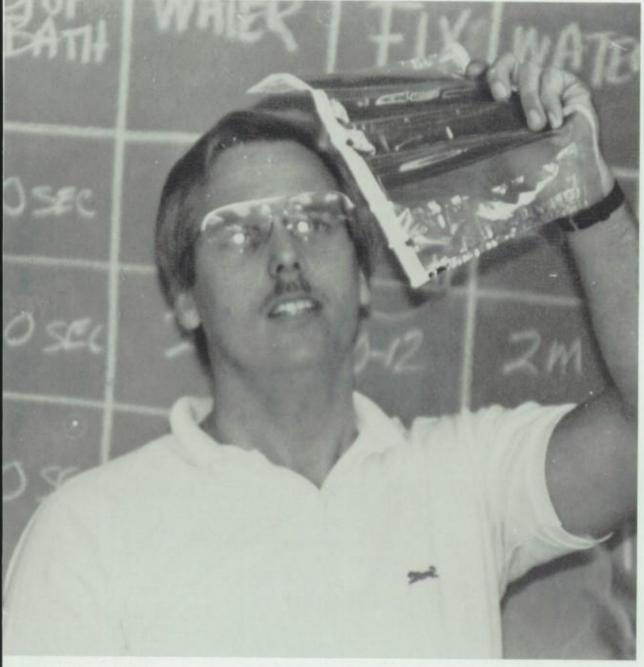

In the area of technical arts, RH offered a number of specialized classes such as Woodworking, Cabinet Construction, Metals, and Mechanical drawing.

Creative art classes included ceramics allowed students to explore avenues of pottery. Commercial art provided practical experience for students. Visual expression, photography, and drawing/painting permitted non-experts to experience creative facets of art.

Science

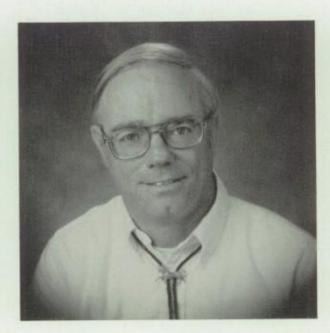

B ecause of new requirements for graduation, changes were made in the 1985-86 science department at RH. A greater number of students enrolled in classes from biology to physics. The biology classes adopted a new textbook which focused on the chemical and not ecological aspect of the science. Joining the faculty were Glen Smith and Caroline Walrad. Veteran physics instructor John McGehee received the 1985 Presidential award for excellence in science and mathematics. Students received a strong background for their science future thanks to a hard working, dedicated, and expert teaching staff.

seniors Throughout this entire 1985-86 school year, the senior class of Rolling Hills High School continually was spirited and enthusiastic. The seniors joined together to make this year the most exciting and memorable of their four high school years. The months were filled with numerous enjoyable and rewarding activities. Furthermore, with dedicated and competent officers who anxiously devoted their time, the class again experienced the many traditional activities with much enthusiasm. Some of these activities included the Senior Excursion to Catalina Island, Grad Night at Disneyland, Baccalaureate, and the grand finale, Graduation ceremonies. Seniors will certainly always remember the lasting friendships, those unforgettable and sometimes unique experiences, and all the cheers and tears of that last year in high school. The future is waiting for these special students who proudly carried on the tradition of excellence at Rolling Hills High School.

Junior Class Officers

The Class of 1987 had an exciting and memorable year. At the end of their sophomore year, the now juniors elected President Jason Anderson, Vice-president Grace Huang, and Secretary/Treasurer Sharon Adams. These distinguished officers have served their class with pride and devotion.

The juniors have many memories to recall in the future. Juniors, because they had finally, after two long years, attained upperclassmen status, could legally leave campus during the noon time break. No longer limited to the food served in the cafeteria, juniors flocked from Rolling Hills in search of unique dining experiences, such as McDonald's. The uniqueness of their ability to leave school during lunch was augumented by their newly acquired skill . . . driving! The freedom of mobility aided the juniors in fully experiencing high school life . . . freedom and mobility was a trait precious to this class.

This year's annual Donkey Basketball game, for the first time in history, was a victory for the juniors, who opposed the seniors. Sponsored by the Letterman's Club, the juniors versus seniors game did not feature any members of the faculty due to a dispute.

To raise funds, the juniors sponsored an extremely profitable food booth during the Homecoming fair. Their booth consisted of the sale of not only pretzels, but shaved lemonade ice. Following the footsteps of previous years, the juniors, in accord with tradition, once again sponsored the annual spring prom. The class worked diligently to organize this event. The prom was a huge success, something they will be able to reflect upon in the future.

This enthusiastic and creative class carried on the Rolling Hills High School tradition of uniqueness and excitement.

sophomores his year's sophomore class was filled with new awareness and dedication. Leader Kevin Guthrie, the class President, was aided by Vice-president Shawn Talbott and Secretary/Treasurer Laura Dox. These officers accepted a tremendous burden of work so that they could provide their class with numerous events and activities. During the Homecoming Fair, the sophomores sponsored two exciting booths, both of which were an enormous success. Their ping-pong fish toss and high striker games generated a large sum of muchneeded revenue. The class also sponsored and organized Soph Doll Week as Titans were entertained with noontime activities culminated by the crowning of the 1986 Soph Doll at the dance.

Sophomores enjoyed their newly assumed status on campus. No longer were they stereotypical "freshmen." Fully understanding the school and how to beat the system, the sophomores finally enjoyed this year. By the middle of June, most were looking to the future. Some had already acquired the greatly desired driver's license. They all longed for their first lunchtime as a junior when they could leave campus.

This class joined in unison in sharing the pleasant memorable experiences associated with one's second year in high school. All of these members of the class of '88 enjoyed themselves and each was ready to move on to the next year.

Freshmen his year's freshman class was led by President Kathleen Kuptz and Vicepresident Jackie Ballantyne. New to the Rolling Hills High School campus, most were surprised at the extreme contrast between a high school campus and that of an intermediate school. While several students were lost and late to their classes (it is rumored that some never made it), most had no difficulty in adapting to the larger campus. Many were surprised with the customs of the Rolling Hills campus, unfamiliar with how high school students entertain themselves. Their first Homecoming Week was special. Dedicated to their class, many individuals worked hard to earn recognition. During the fair, the Frosh class operated not only a marriage booth, but also a drawing booth. By the end of their first semester, most students were prepared to charge into finals week, an extreme test of their academic skills. After overcoming this hurdle, the freshmen were prepared to experience a relatively easy second semester. They thought that high school life had been mastered.

Under superb leadership dedication to their fellow classmates, the freshman class finally transversed their first, and perhaps most difficult year of high school. Each one is finally prepared to leave behind the status "Freshmen" and its negative connotations.

ASB Elected Officers

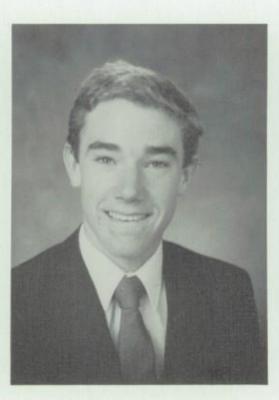

uring this past year, the elected student body officers worked diligently to provide excellent leadership for the large number of students at Rolling Hills High School. Led by Associated Student Body President Cameron Bell and Vice-Presidents Roger Yang and Chuck Mason, the officers provided students with many informative and thought-provoking assemblies. Speaker of the House Scott Shean conducted meetings of representatives from each fourth period class. A greater amount of school spirit was generated through pep rallies and noontime activities held in the amphitheater. These elected officers were aided by several appointed officers whose specialized skills and tasks simplified the work load. The combined experience and dedication of this group of student leaders was one of the greatest in the history of the school.

'Go West' for Homecoming

he 1985 Homecoming inspired many students with its theme of 'Go West'. An entire week of numerous festivities culminated with the traditional homecoming fair and football, this year against arch-enemies Palos Verdes High. The week began with a band performance by the King Pinz. The annual Battle of the Bands and a popular pep rally also transpired. The classes competed against each other in various entertaining events such as pie eating, tugs of war, and running an obstacle course. At the fair, there were numerous food and game booths. The Physics Club was once again awarded a prize in creativity with their unique 'rope climb' contest. An exciting moment was the coronation of Homecoming Queen Jill Zurnaciyan and King Robert Norwood.

Acid Rain, the winner of the Battle of the Bands, features Scott Jacobson, Tom Barrett, Mike Landey. Kevin McGuire, and Chris Kurn.

Unaware of her upcoming catastrophe, Carol Fox shows her award winning smile and begins her soon to end journey around the track.

Cindy Dixon, a member of tall flags, displays her Titan enthusiasm and talent at the homecoming game against Palos Verdes.

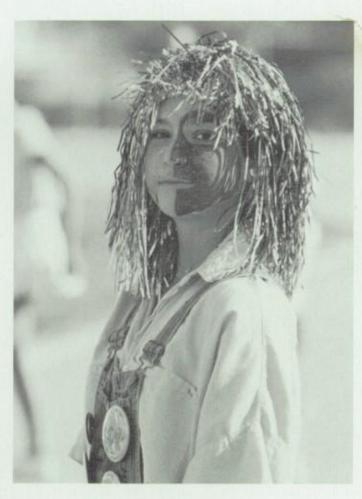

Steven Levesque takes his turn at the egg toss booth sponsored by the Green Leo Club. The booth was popular with all students.

The 'Go West' Homecoming T-shirts, designed by Grace Huang, were very popular, and raised money for the ASB.

Darren Stasher displays his incredible jumping ability in the potato sack race. Spirited Titans participated in numerous Homecoming activities during lunchtime.

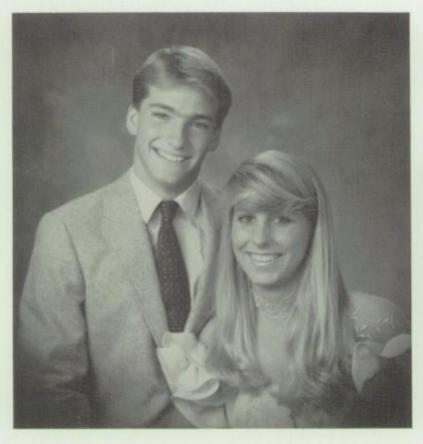

Senior Beth Ungerleider is caught in one of her calmer moments during a Varsity Football game.

An admiral (Larry Bacharach) worships Eileen Sherwood (Maile Jones) who smiles at her disapproving sister Ruth (Erica Carney). Ruth accidentally adopted an obnoxious group of admiring sailors who added to the chaos of the play.

Eileen's sister visits Rolling Hills stage

hat happens when two young women from Ohio burst into New York City to achieve fame and fortune? Trouble breaks loose. At least that is what happened to Ruth and Eileen Sherwood in the RHHS drama department's hilarious presentation of "My Sister Eileen" for the fall play. The tale of the girls' outrageous ordeals and the superb acting ability of the players combined to make this production one of the best in the school's history. Stand-out performers were Erica Carnay as the sensible Ruth, Maile Jones as the sweet but naive Eileen, and Kaslo Sadr as Mr. Appopolous, the unscrupulous landlord. Other fine performances were given by Cathy Sullivan and Cam Bell who had the audience in stitches. This entertaining play was directed by Connie McIntyre who did a top rate job directing her first comedy.

Officer Lonigan (Chris Gilbert) threatens cocky reporter Chic Clark (John Addleman) who forcefully entered the room. Both gave outstanding performances.

Aspiring author, Ruth Sherwood, wearily returns home after a long day of peddling gum on the tough streets of New York City.

Cathy Sullivan rambles across the stage as she portrays Jensen, the scruffy building custodian. Her humorous actions lightened the atmosphere.

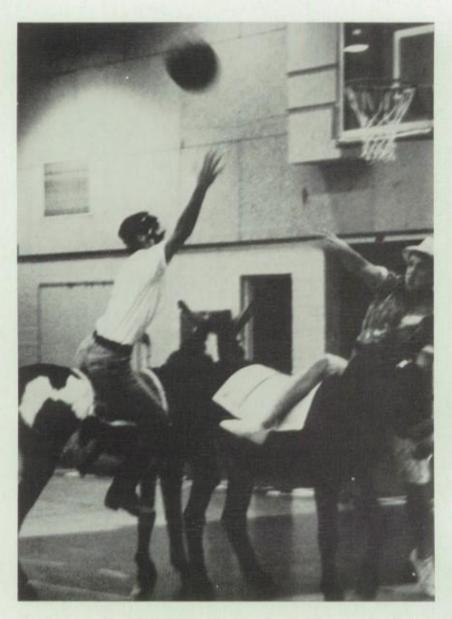

Elleen and Ruth whisper between themselves, desperately trying to figure out how to get rid of the flock of sailors who followed Ruth home.

A vain Chic Clark gives on uninterested and bored look as Ruth tries to introduce simple-minded Frank Lippencott (Andy Demcak).

Two Rolling Hills High School Lettermen engage themselves in deep concentration as they battle for a donkey basketball victory.

Geoff Kuhlman congratulates Julie Eakins, who has just been crowned Letterman Queen, as her escort, Charles Mason, watches.

Junior Cameron Terry, in the guise of a malicious vandal, tries to persuade his insubordinate beast of burden to actually participate in the game.

While all the other players mill around on their burros, Geoff "the Mummy" Kuhlman valiantly attempts to retrieve the ball and hold on to his burro.

Mark Edelson holds on to his donkey as he watches his fellow teammate Rob McNeil, attempts to illegally steal the ball from Junior Bill Yoo. The donkey basketball game is always an exciting event for the student body.

Cheryl Silverstone, the chicken McNugget, displays a balancing act and at the same time clings to the ball.

Juniors pin the tail on Titan seniors

ue to a contract dispute, teachers in the Palos Verdes Peninsula Unified School District elected to adopt a "Work-to-the-Rule" policy. A direct result of their action was their absence from the Rolling Hills traditional annual Donkey Basketball game. However, all was not lost. A decision was made for students to play . . . Seniors versus Juniors.

Riding their donkeys as well as they could, the juniors defeated the seniors by a score of 34 to 20. While the first half of the game ended with the juniors only slightly ahead, the seniors could not catch up.

Halftime featured the crowning of Senior Julie Eakins as the Queen of the Letterman's Court.

Creative costumes and humorous antics entertained an enthusiastic crowd in the Rolling Hills gym.

A n Old Fashioned Sleigh Ride, the theme of this year's Winter Formal, was carried out diligently by the Girl's League. In the perfect atmosphere, the crowd was entertained by the music of the group Surge. In the spirit of the holiday season, each couple was urged to bring a toy for a child in the "Toys For Tots" program. This year's Winter Formal will be remembered by every couple who attended.

Singers, dancers perform at RH

n mid-December, Titans were musically entertained as the Choral and Choreo departments presented their annual winter concerts.

New vocal director Chuck Grossman directed fifty students in two classes as they prepared for the holiday concert. Madrigal singers and Concert Choir members worked hard to entertain the sold-out audience which included students and members of the community. They sang many songs reflecting the holiday spirit including songs by Mozart, Brahms, and Rachmaninoff.

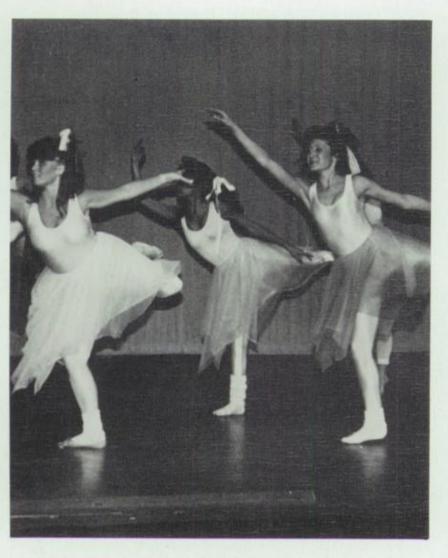

"Pure Imagination" was the theme of this year's Choreo holiday production as the audience enjoyed watching a variety of dances. The multi-tal-ented dancers entertained over 600 people. Jennifer Moentmann directed the dance students through a series of dance routines; modern, ballet, and jazz. The December show was highlighted by a singing routine and production number from the popular musical, "Cats."

Under the direction of Chuck Grossman, the choir singers entertain the audience with their rendition of "It Came Upon a Midnight Clear." All singers contributed to the fine concert.

Choral singer Michelle Gibson sings a solo at the Winter Choral Concert, captivating the audience with her vocal talents and impressive performance.

Choreo dancers gracefully display their sense of poise and balance during their performance in the Choreo show, "Pure Imagination."

Dance performers leap in unison, showing many hours of practice and dedication. Alexia Ali, Annette Cheiber, and other Titan dancers prove that their hard work paid off.

January 16th Slays Rolling Hills

n the fourth and fifth of February, the Rolling Hills High School Repertory Group presented Ayn Rand's, "Night of January 16th" at the Norris Community Theater. The play was produced by Connie McIntyre and directed by student Cathy Sullivan. This two-act play transpired in New York during the 1950's.

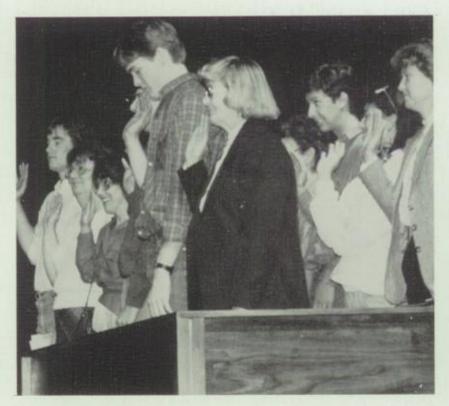

On the night of January 16th, William Faulkner exited the world of the living; he plunged from a penthouse suite atop a high-rise building. Two months later, his personal secretary, Karen Andre, portrayed by Stephanie Keefer, was accused of his murder. This play depicted the events of her trial.

Heated debates between District Attorney Flint, the prosecutor (Kelly Wood), and Defense Attorney Stevens (Kevin Carter) was moderated by Judge Heath (Erica Carnay).

Numerous witnesses were called upon to take the witness stand by each counsel. Each had a slightly different story to tell; each introduced new facts; each complicated the presented evidence.

Several surprise witnesses appeared. Faulkner's wife, Nancy Lee Faulkner (Tina Hayward), and her father, John Graham (Todd Deppe), emerged from seclusion to testify. Larry Regan (Chris Gilbert), an alleged member of the criminal underworld, presented himself to testify in Andre's defense.

An interesting method was used in the play for the determining of Andre's fate. Fifteen members of the audience were selected to sit on stage and function as the jury. When all of the testimony ceased, they presented their verdict. In all three cases, Karen Andre was found not guilty.

The jury that was picked from the audience consisted of faculty and students and added to the exciting performance that evening.

Kelly Woods, the prosecuting attorney; Christina Hayward, the victim's wife; and her father, Todd Deppe, all made director Cathy Sullivan's production a success.

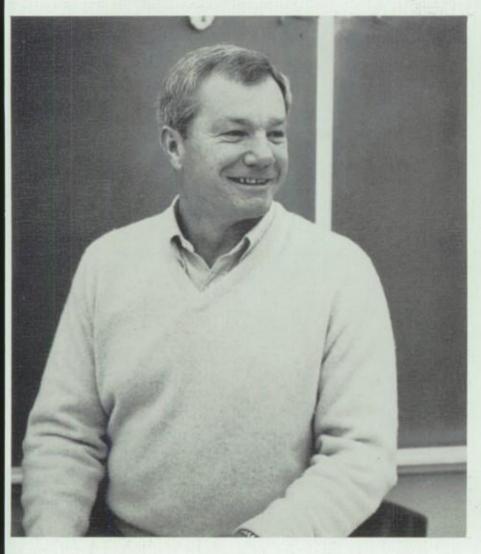

In the Rolling Hills production "The Night of January 16th," Stephanie Keefer, who played the defendant Karen Andre, was found innocent of murdering her lover.

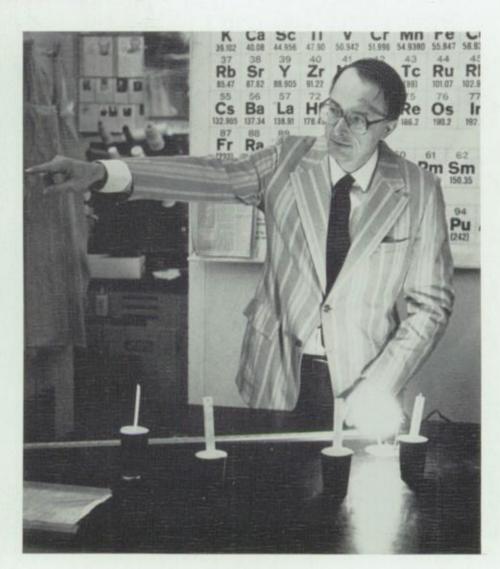

Kelly Woods, who portrayed the prosecuting attorney, questions Eric Ruona in hopes of discovering important clues which would lead to the arrest of Karen Andre.

Titans Spin on Carousel

he Rodgers and Hammerstein musical, "Carousel," was performed in March. This popular production was well attended and greatly enjoyed by the audience.

"Carousel" transpired during the late nineteenth century. The musical detailed the life of Billy Bigelow (Larry Bacharach), a carousel barker courts Julie Jordan (Rachel Rubins). In doing so, he lost his job, but gained a wife. When Billy discovered his wife was pregnant he schemed with ex-convict Jigger Cragin (David Herold) to ambush a business figure and steal \$3000.00. The plan fell through, and in the attack, Billy was killed. The plot ended with the attempted reconcilliation of Billy, his wife, and daughter.

Bacharach and Rubins were outstanding and supported by numerous others, individuals who augmented the production's success. Carrie Pipperidge (Laura Wenger) and Enoch Snow were a popular pair. Additional support was provided by Mrs. Mullins (Kelly Woods), and Sister Josephine (Stephanie Keefer).

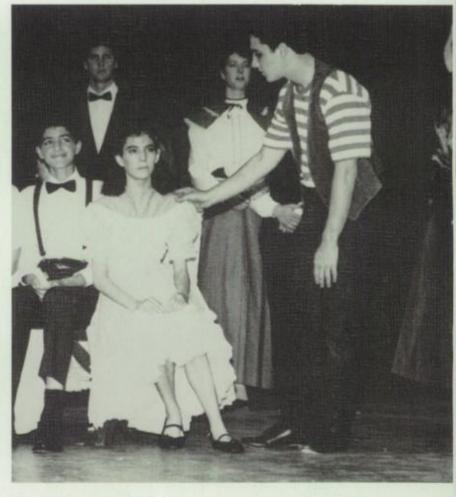

Director Connie McIntyre, Orchestra Director John McRae, and Choreographer Laurie Ensley combined to produce a spectacular musical.

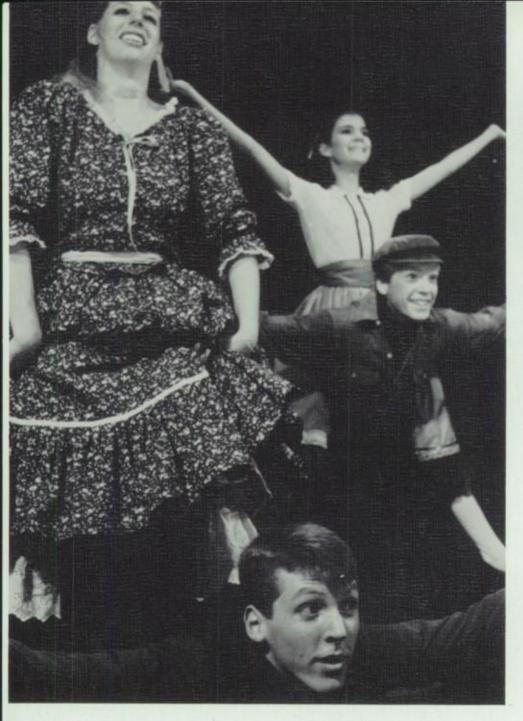

As Kim Roberts displays her wares, two girls rest from the carnival action. Dancing girls, carousel rides, and many kinds of food could be found at the carnival.

A few of the "Carousel" perform a rousing round of "Blow High, Blow Low." Their acting and singing talent added to "Carousel's" success.

As parents and students look on, Billy Bigelow's ghost (Larry Bacharach) attempts to reach his daughter, Louise (Chrissy Severance).

Two dancing couples in "Carousel" show off their talent with synchronized formations. The spirited dance routines added to the excitement of the musical.

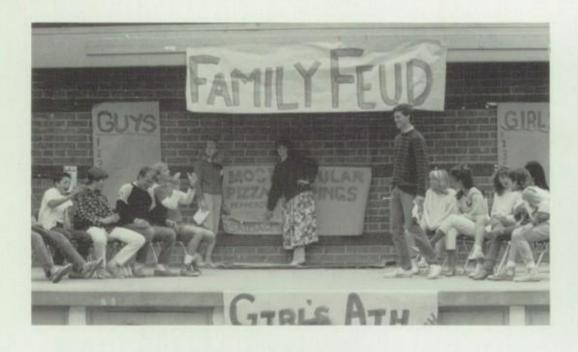

Laura Wenger and Todd Deppe used their experience from previous musicals to captivate the audience with a charming melodic duet.

olling Hills High School had a spirited and determined Varsity Football team this year. Junior quarterback Dan Bellows was a key player in many of the close games. The Titan defense was held together by such strong Seniors as defensive tackles Buddy Gervais and Justin Che, guard Geoff Kuhlman, defensive end Kevin Lyons, and linebacker Pat Jarosz. Titan offense consisted of such talented players as Doug Mellinger, Senior center, Senior receivers Charles Mason, Eric Hagenburger, and Junior fullback Greg Thomas. Henry Martin was a great asset to the Varsity team, playing tailback and having the most touchdowns scored by a Rolling Hills player this season. The Rolling Hills team played excellent football together and were extremely united. The young team asserted themselves as strong contenders for the ever-prestigeous Bay League title.

Varsity place kicker Dane Rice makes another successful Titan field goal as the opposing team watches in despair. His consistent kicking was a key success of Titan football.

The Varsity team was led by Senior starters, Rick Batt and Mike Rudberg. Juniors Doug Dehr, Cameron Terry, and Trent Warren were the other starters for the team. isplaying strength and stability throughout their exhausting season, this year's girls' varsity volleyball team finished with a good record. Juniors Carrie Guthrie and Julie Frost contributed their skills to the team with strong hitting and blocking at key times during many matches. Ali Wood and Christy Lee, who shared the award for the most valuable player, earned their award, using their versatility to guide the team to several good showings. Senior Anne Polzin was an indispensible member of the team, forming the basis of the Titan's powerful playing with her strong, precise setting and immutable team spirit. The season was capped by a well deserved win over Palos Verdes. The Titans played five long, tough games during the course of the match, beating the Sea Kings three games to two on their own court. Soccer

ompetition in the Bay League was tough this year, but the Girls' Varsity Soccer team finished the 1986 season with a 4-6-2 record. The team fought hard under the leadership of captains Jean Tschida and Tricia Bennett. The young team sported only four seniors, the two captains as well as goalkeeper Leslie Axtell and midfielder Shae Martin. The younger team members also showed impressive skills. Lisa Tom and Crystal Johnson anchored the offense as Elise Carson and Kim Forbes kept the defense strong. The season kicked off with a win over Mira Costa. Amy Traxler, Amy Appelhans, Leah Kory and Karen Schell comprised the team which continuously defeated their competition. The addition of a strong diving team was a stroke of good luck for the Titans. Junior Elise Carson and sophomore Carolyn Weise boosted the team's overall standings with their consistant performances off the board. With continuing excellence in skill and determination, the girls' swim team made quite a "splash" in the "Bay" League this season.

Basketball

he 1986 Girls' Basketball team finished a long, hard season with a disappointing record of 4-7-2. Despite their poor Bay League showing, the team was high spirited and played well together throughout the year. Led by co-captains Julie Roley and Cathy Mailander, the team displayed impressive skill. The team's come-from-behind victory over cross town rival Palos Verdes showed great determination and stamina. Throughout the season, all the members played well, contributing their skills to the team. Guard Laura Dox and forward Andrea Bausch were strong defenders, while Nu-Gina Rogers and Kristina Behrens were consistent scorers. The junior varsity team also had a difficult season, but many of the team members show great potential in their skills which they can pass on to the varsity squad in future years.

With strong determination and concentration, Cathy Mailander uses her ball handling skills to ge past a Sea King defender. The Titans beat Palos Verdes in a toughly fought game 51-39.

Track

Spring of 1986 was a good season for the Girls Track team. They ran into little difficulty defeating several larger teams. A broad range of events were covered by strong competitors. Christy Lee was outstanding in the highjump, breaking school and league records repeatedly. The 440 relay team, composed of Antoinette Brown, Nu-Gina Rogers, Tricia Fuller, and Jennifer Jones, placed very high in several invitationals as well. Anne Polzin, competing in the triple jump, and Kim Forbes, competing in the hurdles, also placed highly in meets, strengthening the team's overall scores.

Softball

irls' Softball had yet another fantastic season in 1986. Season competition ended with the team holding an impressive record. This outstanding record allowed the team to advance to CIF playoffs. With the additional help of a new batting cage acquired early in the season, the team began to swing into winning action. The squad sported a majority of seniors including catcher Jean Tschida and second baseman Dani Pfeiffer, who holds an impressive .300 batting average. Senior pitcher Andrea Bausch repeatedly proved invaluable to the team. Her fast pitch style struck-out a record 623 batters during her career at Rolling Hills. The skills of shortstop junior Kristina Hale and upcoming pitcher, junior Lisa Tom are a solid base on which the Titans can build a strong team for 1987. Undoubtedly, next season will be as much of a hit as '86 has been for the Girls' Softball team.

Academic Clubs

uring this past year at Rolling Hills High School, numerous academic clubs stimulated the intellectual capabilities of students. These clubs included Model United Nations, Academic Decathlon, Satori, and Math Club. Model United Nations fostered an interest in not only the operations of the United Nations but also current events of international interest and debating skills. By simulating the United Nations at several conferences throughout the United States, students represented Rolling Hills and improved their written and oral communication. Academic Decathlon, sponsored by Mr. Maeder, was a group of nine multi-talented students. They attended the Los Angeles County Academic Decathlon and competed in ten scholastic subjects such as math, history, science, and English. Satori was a group of students who met and published the Rolling Hills literary annual. The magazine consisted of the poetry, prose, and art of Rolling Hills High School students. The purpose of the R.H.H.S. Math Club was to allow its members to participate in various math competitions during the school year. In addition to competing at quarterly Bay League Math meets, the team entered in competitions at Occidental College and Cal State San Luis Obispo.

 ive special interest clubs that existed this past year at Rolling Hills High School were the Chess Club, Asian Culture Club, Car Rally Club, Paperback Exchange and Securities Exchange Club. The Chess Club met twice a week at lunch to allow interested chess players to play at their leisure. Occasional tournaments were sponsored by the club throughout the year. The Asian Culture Club was designed to help new foreign students adjust to Rolling Hills High. For example, the club offered tutoring to any individual requesting it. The year climaxed with a banquet welcoming foreign students from Japan. The Car Rally Club planned and sponsored several car rallies throughout the year. The Paperback Exchange's sole purpose during this past school term was to offer quality paperback books to both the student body and faculty. Students and teachers could either purchase a book or exchange for one that they had not already read. Consisting of students interested in the financial world, the Securities Exchange Club, with the aid of sponsor Mr. Hunt, an ex-broker, enlightened students in the intrinsic meaning of finance. These clubs stimulated the specific interests of students at Rolling Hills High School.

Involved with various aeronautical activities, the Flyer's Club allowed students to discuss different planes and attend air shows as a group. They were able to go "behind the scenes" and view the planes up close. The purpose of the Poetry Club was, in addition to getting poetry published, to raise some interest among the Rolling Hills Students in writing poetry. CSF Juniors

Honors Organizations

he California Scholarship Federation was created in 1921 to encourage, motivate, and identify students who have a great deal of intellectual ability. The organization tried to forward the creative use of this ability and to urge these students to further their education beyond the high school level. To qualify, each student was required to earn a number of points based on the grades received by the student in certain academic classes during the preceding semester. Many of the students at Rolling Hills High School have earned Sealbearer Status by qualifying for more than four semesters in their last three years of school at R.H. Each of the students has proven himself to excel academically.

The recognition that they received through the club was well deserved. Another honor organization at R.H. was the International Thespian Society. This club gained recognition for all talented actors, actresses, and technical staff members.

I Remember, I Remember

I remember, I remember,
The house where I was born,
The little window where the sun
Came peeping in at morn;
He never came a wink too soon,
Nor brought too long a day,
But now, I often wish the night
Had borne my breath away!

I remember, I remember,
The roses, red and white,
The vi'lets and the lily-cups
Those flowers made of light!
The lilacs where the robin built,
And where my brother set
The laburnum on his birthday, —
The tree is living yet!

I remember, I remember,
Where I was used to swing,
And thought the air must rush as fresh
To swallows on the wing;
My spirit flew in feathers then,
That is so heavy now,
And summer pools could hardly cool
The fever on my brow!

I remember, I remember,
The fir trees dark and high;
I used to think their slender tops
Were close against the sky:
It was a childish ignorance,
But now 'tis little joy
To know I'm farther off from heav'n
Than when I was a boy.

Yeah, well neither did I, Uknowhatimean. Wasn't that showing around August 29, 1985? I thought so, about 3 days before the Big Bang. / So what do you think about the number "69"? Not a lot that U could do with it, huh? (The previous sentence was not to be read by those with a one track mind, nor a 3 track mind.)/ Wedekind's class — Remember? What about those plays we saw? For my special someone —

All these months we've been together have brought some very precious memories I know I'll never forget: Mardi Gras, New Mexico, "I miss you," renting videos, taking till 3 in the morning. I know It can be hard sometimes to stay with one person, but whenever you have doubts just remember "whenever the magic seems to fade, those are the times we both have to keep believing and not be afraid. If we both trust in what we share, the 2 of us can hold on to tomorrow. Love always finds a way . . ""I'd really hate to lose you. Never forget how very special you are to me, & I'll always care about you." I love you!

With all my love, Your ≠1 grouple To the very special people who helped make my life bearable: Polecats; 1985; Andrea, Jennifer, Jeny, Kritina, Dani, Lisa, Missy, and Peggy, Sal, Kathy, Jill;

"Oh, I'm lookin for my messin piece I'm lookin' for my messing piece Hi-dee-ho, here I go.

Lookin' for my messin' piece."

I guess that's what all this was about. Everyone tring to find their perfect missing piece, and those pieces that were found but were broken or not held on to tightly enough or simply those who didn't flit. To all those missing pieces around me—those that broke with my grip, those whom I didn't hold on to tightly enough, and those who didn't fit: you are the best friends anyone could have. Thank you for all the smiles, the laughter, the taks, the memories, and for being there

when I needed you. I will never forget you. I love you always.

Friendship and love forever,

Jean Marie

Titan: a crazy, chaotic, and celebrated year

elcome, welcome all. We are about to begin a whirlwind tour of the Titan newspaper office, commonly known as H-62 or "the room." Many stories, some possibly true, have been told about this room: one is of a black hole that swallows up chemicals, stories, and exacto knives. Another story tells of the toxic air, but enough of that. Sitting here in the front room are the staff's advisor busily typing, and a sparse, but dedicated group of writers anxiously (?) awaiting their next story assignments. Moving into the backroom, however, one can't help noticing the ever-building tensions filling the space; several roving reporters are disentangling the truths of RH administrative policies; the columnists discuss politics of every sort; the entertainment editor is spinning puns in anticipation of his next movie review; the copy editor is extolling the virtues of good grammar; an unburdened typesetter is chanting, "Can I type? Can I type?" The sports editors complain that none of their writers have turned in stories. Over here sit the editors-in-chief, who are screaming, "Where are the pictures; where are the ads; where is everything we need?" Now we'll walk outside the room — rarely do these Journalists get to this point, but when they do, they can be easily recognized by headlines sticking to their clothes, border tape that ribbons their hair, and a dazed look and strange odor from those rumored "toxic" chemicals. They can also be seen every third Friday, running around RH with their finished product, the always-informative, ever-improving Titan.

o, not again! typifies the situation in H-62. Whether it is the Varityper jamming or a certain picture not developed or even taken, there is certainly always a crisis. Another typesetter terminal was needed and that only added to the confusion: which discs go with what terminal — how do we keep them straight? With eight editors we managed to publish every three weeks, chemicals or no chemicals, and on that dreaded Friday, the editors would forge down to Gardena at 6:00 a.m. (yawn) to pick up the masterpiece only to find that "Happy Holidays" had fallen off, two sports pictures had been switched, and a cartoon had fallen onto a headline. Much hard work and long hours went into the preparation of that masterpiece. A feature editor wails, "I'm going to fail." The editorial editor shrieks, "Too many opinions — again." And the news editor cries out, "Isn't anything happening on this campus!" The editors-in-chief plead, "Where is the other news editor, sports editor, ad manager, photographer?" No response . . . typical. But it was fun . . . and rewarding!

From The Editors . .

My past four years on the yearbook staff have been filled with nothing but good memories. Even though a great deal of work and hectic times accompanied putting together this year's yearbook, I am sorry that it is all over.

I could never fully express the amount of gratitude I have for the many people who helped me this year. I'd first like to thank my Co-Editor Joe, for being a person who made some of the less enjoyable parts of putting this yearbook together a little more bearable. Wendy, and Susan, the two of you were always there to help me as well as the section editors. I can't forget Jeff, Donna, Henry, James, Lynn, Alan, Ken, Kate, and Lisa who put a great deal of time and effort into their sections. Even though we had our "discussions" with the photographers, the yearbook would be nowhere without them. Thank you! I don't know what we would have done without Kurt and Spencer who were always there for us. A special thanks to Konnie Krislock for her guidance and input. I've undoubtedly saved the best for last, Sandy Grasinger. She always pulled us through every crisis Joe and I managed to get ourselves into. Thank you for your time, and especially your energy which you gave so generously.

The 22nd edition of the Delphian is here, thanks to the time and effort put in by the yearbook staff to complete this awesome task. Susan and Wendy, thanks for always being there to help me out with layouts and copy. To all the section editors, thanks for providing new ideas for your sections and finishing them on time. Your motivation toward your staff members was greatly appreciated. Henry, thanks to your staff for producing such fine quality pictures. To Pacific Studios and especially Kurt Jupin, thanks for taking the time to make those incredible pictures even better. Konnie Krislock, thanks for your creativity and assistance throughout the year. Without Sandy Grasinger, this publication would not have been possible. Her expertise, support, guidance and especially friendship helped me make it through the year. And finally to Jennifer . . . you're the best Co-Editor anyone could want! A combination of hard working personalities — Donna, Jeff, Lynn, Alan, Ken, Kate, David, Jimmy, Lisa, and Henry — all pulled together to create this beautiful yearbook.

I hope this book will help all of you at RHHS remember your style of 1986.
